Dear Dr Agreendran,

Thank you so much for forwarding a copy of ENVIS Newsletter – January-March, 2015.

2. At the outset let me thank you for providing information on 12th Conference of Parties (CoP) to the Convention on Biological Diversity (CBD) held at Pyeongchang, South Korea where India handed over her Presidency of the CoP to CBD and also an important milestone that India achieved by chairing the first meeting of the Nagoya Protocol to the CBD at Pyeongchang, Korea. I have always been very appreciative of the efforts put in by your team in bringing out the ENVIS Newsletter.

3. Your issue on Parliament and Environment is a prized possession. Many of your compilations are rich source of information and very handy many a times when one needs a particular information.

4 I take this opportunity to compliment you and your team for doing such an excellent task of compiling such an important ENVIS Newsletter on a regular basis.

with regards and best wishes,

Yours sincerely,

(Hem Pande)
